## PRODUCT DESCRIPTION

Rose Touch combines Fractionated Coconut Oil with Rose essential oil, one of the most precious essential oils in the world. The labor-intensive and delicate process of harvesting and distilling rose petals produces a sweet floral aroma that's renowned in the perfume and essential oil industries. Rose Touch provides the user with myriad applications and usage options that are both affordable and convenient. Rose Touch can be applied to pulse points for an uplifting aroma throughout the day. It can be used to balance moisture levels in the skin, reduce the appearance of skin imperfections, and promote a healthy-looking and even skin tone. Rose Touch can also be applied to the neck and wrists for a beautiful and romantic personal fragrance.

## USES

- Apply to pulse points for an uplifting aroma throughout the day.
- Use on areas of concern twice daily to reduce the appearance of skin imperfections.
- Apply to neck and wrists for a personal fragrance.

## DIRECTIONS FOR USE

**Topical Use:** Apply to pulse points.
