Description

Experience clean, refreshing teeth with dōTERRA SuperMint™ Toothpaste. This formula is specially designed to support complete oral care while brightening your brushing routine with a minty burst of flavour. Our proprietary blend of CPTG® mint oils gives dōTERRA SuperMint its exceptionally fresh aroma and taste, for a signature cool, clean sensation. In addition to freshening breath, dōTERRA SuperMint Toothpaste aims to clean the gums and teeth, with gentle polishing agents to support enamel and reveal a whiter smile following regular use.

Directions

Brush thoroughly at least twice per day, or as directed by your dentist or physician. For children under 2 years old, consult your family physician.
