Tea Tree

Melaleuca alternifolia 15 ml

PRODUCT DESCRIPTION

Tea Tree essential oil – often referred to as “Melaleuca” essential oil – has over 92 different compounds and amazing topical applications. The leaves of the Melaleuca were used by the Aborigines of Australia for centuries. They would crush the leaves and apply directly to the skin for a cooling effect.* Melaleuca is best known for its purifying properties. It can be used to cleanse and purify the skin and nails and to support a healthy complexion. Melaleuca is frequently used on occasional skin irritations and to soothe the skin.

* For topical use, follow instructions regarding dilution in accordance to that which is printed on the back of the packaging.

USES*

- For occasional skin irritations, apply 1–2 drops of Melaleuca essential oil onto affected area.
- Combine 1–2 drops with your facial cleanser for added cleansing properties, or apply to skin after shaving.
- Apply to fingernails and toenails after showering to purify and keep nails looking healthy.
