Description

Patchouli is a bushy herb from the mint family with stems reaching two or three feet in height and bearing small, pink-white flowers. Easily recognized for its rich, musky-sweet fragrance, Patchouli is regularly used in the perfume industry as well as in scented products such as laundry detergents and air fresheners. Patchouli is beneficial to the skin in many ways. It is often used topically to help reduce the appearance of wrinkles, blemishes, and minor skin imperfections and to promote a smooth, glowing complexion.

Uses

- + Apply to the forehead, temples, or back of the neck after a long day of work.
- + Apply one to two drops to help reduce the appearance of wrinkles, blemishes, or problem skin areas, or add to your favorite moisturizer.
- + Rub on the bottoms of feet.

Directions

Aromatic use: Add three to four drops in diffuser of choice.

Topical use: Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin sensitivity.
