Fast Start

Fast Start is designed to provide you with income right away as you share dōTERRA® products.

How it works

When your new Wellness Advocate or Wholesale Customer places an order with commissionable volume (CV) during their first 60 days, **you can earn a 20% Fast Start** commission. Your enroller receives a 10% commission, and their enroller receives a 5% commission.

To qualify to receive Fast Start earnings, you must place a LRP Order (or enrollment order) of 100 PV or more monthly and have a recurring LRP order set up on your account.

Power of 3 BONUS

The Power of 3 Bonus is designed to help you structure your business for effective customer support and long-term stability.

How it works

Effective customer support is **essential for long-term growth**. While you could personally sponsor all your new enrollees, overtime, it would become difficult to support everyone. This Bonus encourages you to place people under a builder or sharer on your team to **provide support and balance to your organization**.

PERSONAL GROWTH VOLUME (PGV)

The total amount of LRP Volume in the current month **from personally enrolled members who enrolled in the previous 12 months**. These members can be sponsored anywhere in your team. Volume ordered in the month of enrollment is excluded from the calculation of PGV.

TEAM GROWTH VOLUME (TGV)

The total amount of volume in the current month **from team members who enrolled or reactivated in the previous 12 months**, within a defined number of sponsor levels (determined by your rank).

Based on your paid rank in a given month, for Elites and above, you include members on your team within a specific number of sponsor levels, to contribute to your total TGV, as defined in the chart below:

Rank	Sponsor Levels	TGV
Elite	3	300
Premier	4	400
Silver	5	500
Gold	6	600
Platinum+	7	See Pools

Any orders placed in the enrollment or reactivation month are excluded from the calculation of TGV.

Unilevel

Unilevel provides a way for Wellness Advocates to earn commissions based on ongoing product sales within their organization.

How it works

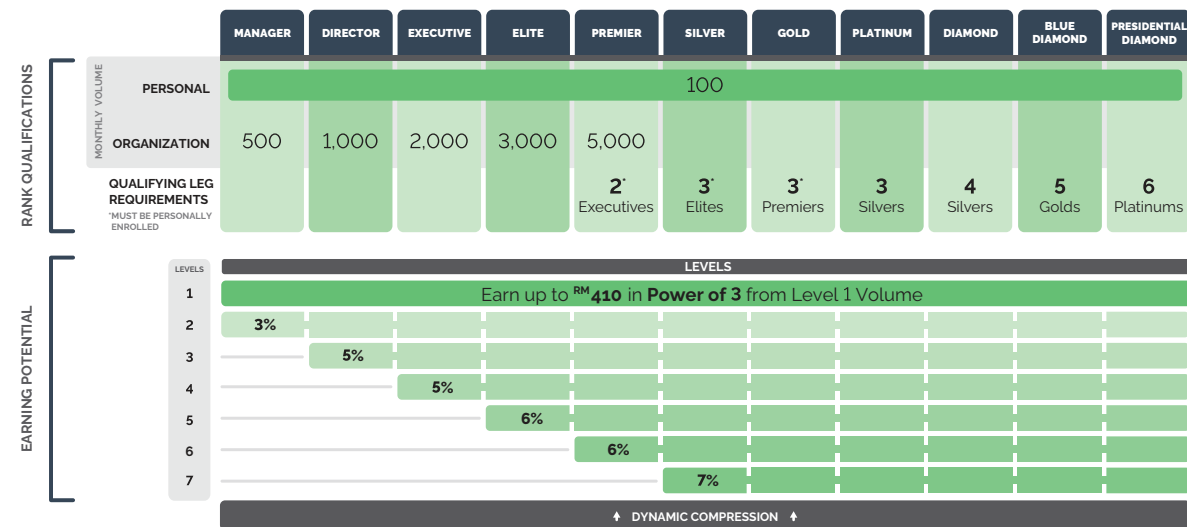

Unilevel commissions are earned after a new member's first 60 days. The more your team grows and the more products they sell, **the higher your potential earnings are through the Unilevel structure**. Over time, Unilevel can be the most significant part of your dōTERRA income.

The dōTERRA compensation plan **lets you earn the highest percentage** on the lower levels where the majority of your volume typically is. To unlock the deepest two levels of Unilevel, make sure to reach your TGV.

By offering product education, encouraging customer loyalty, and providing business support, you can strengthen your team and increase customer retention, leading to higher Unilevel earnings.

Paid to **Sponsor**
Paid **Monthly**
Earn **3-7%** on CV

Pools

Pools recognize and incentivize top-performing leaders. These Pools provide additional bonuses to Wellness Advocates who achieve specific rank and enrollment requirements during a given month.

How it works

dōTERRA offers six Pools, each tailored with specific ranks, performance requirements, and opportunities to **earn extra shares** based on the Pool's criteria. Each month you achieve and maintain a rank between Premier and Presidential Diamond, **you can qualify to earn a share of dōTERRA's Company Volume** from one or more Pools.
