200PV PROMOTION

1 - 15 January 2025

Renowned as one of the most prized and precious essential oils, Frankincense has a variety of notable uses and benefits.

In addition to its notoriety in the New Testament, the Babylonians and Assyrians would burn Frankincense in religious ceremonies and the ancient Egyptians used Frankincense resin for everything from perfume to salves for soothing skin. This centuries-old knowledge contributes to the modern uses of Frankincense today. Its soothing and beautifying properties are used to rejuvenate skin and reduce the appearance of imperfections. As the king of oils, when inhaled or diffused, Frankincense promotes feelings of peace, relaxation, satisfaction, and overall wellness.
