2. Help three people on your frontline earn their RM1025 bonus.
3. Must achieve Silver paid rank.

How the Promo Works

Up to 100 PV of Enrollment Month Volume can contribute to a 500 Power of 3 Pod when the new member sets up an active LRP Template in their enrollment month.

Additional Details

100 PV of Enrollment Month Volume can come from one or more people.

Qualifying Enrollment Month Volume must have a LRP order set up that is 1 PV or more for the following month.

If more than 100 PV in Enrollment Month Volume comes from one person, only 100 PV of it will count toward Power of 3 Pod Volume.

You must meet all Power of 3 bonus requirements to earn.

This promotion provides you with more flexibility to create qualifying Power of 3 Pods.
