KEY INGREDIENTS AND BENEFITS

- Has a calming, yet uplifting aroma
- Refreshes your home or office throughout the day
- Useful throughout the day when taking a moment to breathe

PRODUCT DESCRIPTION

The environment we live, work, and breathe in has a large impact on overall health. As the world around you continues to move around us, at times it feels like there's no time to take a fresh breath of air and reset. Clearify essential oil blend can help. Clearify is an aromatic blend of essential oils combined to provide fresh energy to your day. Litsea contains the phytochemical compounds neral and geranial. Clearify includes Tangerine and Grapefruit, citrus essential oils that are natural sources of limonene, a powerful phytochemical known to help calm and uplift. Also in the blend is Frankincense essential oil, which includes alpha-pinene, which may contribute to Frankincense's soothing properties. Clearify can be diffused at home, in the work place, or in your car daily as a way to refresh your surroundings with an invigorating, refreshing aroma to help you get through your busy day.

DIRECTIONS FOR USE

Diffuse in home or office all day, every day. Use lightly for day-to-day air maintenance and increase aromatic volume as needed. One drop may also be added to air filters and masques.

CAUTIONS

When diffusing, a very light aroma in a room is ideal. If you experience any discomfort with eyes or respiratory tract, decrease the amount of drops being diffused. For aromatic use only, not for topical or internal use.
