

# TerraStix™

## TerraStix DX™

Drink Mix

### PRODUCT DESCRIPTION

TerraStix DX is a powdered drink mix that contains broccoli seed extract. TerraStix DX is flavored with CPTG® Lemon essential oil and can be mixed with warm or cold water to create a tasty daily beverage.

### CONCEPT

#### **Broccoli Seed Extract**

Broccoli is a source of glucoraphanin, which creates sulforaphane when chewed or swallowed. Sulforaphane is beneficial to the respiratory system.

#### **Moyeam Leaf Extract**

Moyeam leaf also known as vine tea, has long been used as a traditional beverage in China for centuries. Moyeam leaf contains dihydromyricetin, which supports a healthy liver.

#### **Lemon Oil Powder**

### PRIMARY BENEFITS

- Help maintain a healthy respiratory system
- Support the function of the liver

### DIRECTIONS FOR USE

Mix contents of sachet with warm or cold water or your favorite beverage, blend well and drink.
