PRODUCT DESCRIPTION

dōTERRA's EO Mega[®]+ Essential Oil Omega Complex is a unique formula of omega-3 fatty acids and CPTG[®] Wild Orange essential oil.

A daily serve of EO Mega[®]+ provides 1 gram of marine lipids (providing 320 mg of EPA, 308 mg of DHA and 44 mg of other omega 3s(gamma linolenic Acid)), and a blend of 250 mg of plant-sourced fatty acids. And also includes 800 IU of natural vitamin D, 60 IU of natural vitamin E, and 1 mg of astaxanthin.

Essential Fatty Acids (EFAs) are nutrients required for many functions in the human body.

While some fatty acids can be produced inside the body, "essential" fatty acids cannot be produced by our bodies; therefore, we rely on the food we eat to supply these important nutrients. EO Mega[®]+ contains a natural source of omega 3 fatty acids, which are important as the body cannot produce them and can only be obtained from the diet.

Wild Orange essential oil enhances the user experience and contribute various health benefits at the same time.

We use the best quality premium blend of omega fatty acids derived from wild-caught fish off the coast of Norway, providing clean, pure, and traceable fish oil.

Formulated to be used daily with dōTERRA Alpha CRS[®] and Microplex VMz[®] as a comprehensive dietary supplement foundation.
