PRODUCT DESCRIPTION

dōTERRA Essential Oil Deodorant is a natural formula infused with Cypress, Tea Tree, Cedarwood, and Bergamot essential oils to create an effective, odour-fighting product for both men and women. These powerful essential oils discourage underarm odour while leaving a fresh, clean scent. Known for their moisturising properties, beeswax and coconut oil make this unique formula glide on easily for a smooth application. Shea butter hydrates the skin and absorbs quickly, contributing to the product's non-greasy, light feel.

USES

- Cypress, Tea Tree, Cedarwood, and Bergamot (FCF) essential oils provide purifying benefits, helping reduce underarm odour
- Beeswax provides a barrier while allowing skin to breathe and contributes to the product's smooth application
- Coconut oil contains fatty acids, known for their moisturising properties and ability to keep skin smooth and healthy-looking
- Shea butter hydrates skin without leaving a greasy after-feel
- Free of alcohol, aluminum, parabens, and artificial colors and fragrances

DIRECTIONS FOR USE

Apply as needed to underarms only. Store at room temperature.

CAUTIONS
