

HYDRATING CREAM

Essential Skin Care | 48g

PRIMARY BENEFITS

- Cocoa seed butter is a nutrient-rich emollient to help keep skin hydrated and conditioned

PRODUCT DESCRIPTION

The intensive moisture your skin has been waiting for. dōTERRA's Essential Skin Care Hydrating Cream combines rich emollients with probiotics to provide hydration and enrichment to the skin, helping to reduce the appearance of fine lines and wrinkles.

Carefully chosen ingredients are formulated to support the appearance of supple-looking skin. Probiotics support the skin's natural barrier, helping to improve skin's natural beauty.

DIRECTIONS FOR USE

Apply to clean face and neck. Use morning and night.

CAUTIONS

For external use only. Avoid direct contact with eyes. If skin irritation occurs, discontinue use.
