

FRAGONIA

Agonis fragrans 5mL

Fresh, cineolic (eucalyptus-like), citrus, floral and woody

Aromatic description

PRIMARY BENEFITS

- Provides a fresh, calming aroma.
- Encourages free breathing when inhaled.
- Helps ease tired muscles.
- Soothes irritated skin.

PRODUCT DESCRIPTION

Sourced in the southwestern part of Western Australia through dōTERRA Co-Impact Sourcing® initiatives, Fragonia essential oil has similar cleansing and purifying properties to CPTG® Tea Tree essential oil with notes similar to Eucalyptus, but Fragonia has a much softer and sweeter aroma profile than either of these oils.

Considered a balancing oil with fresh, floral notes, Fragonia's primary chemical constituents also encourage easy breathing. Fragonia is soothing when inhaled or diffused and can also be used on tired muscles or to calm the skin.

USES

- Add to a diffuser of your choice.
- Dilute with a carrier oil or cream to enhance a deep-tissue massage.
- Apply topically to areas affected by occasional skin irritations.

DIRECTIONS FOR USE

AROMATIC USE: Add three to four drops to the diffuser of your choice.

TOPICAL USE: Apply one to two drops to the desired area. Dilute with a carrier oil to minimise any skin sensitivity.

CAUTIONS

KEEP OUT OF REACH OF CHILDREN. Possible skin sensitivity. If you are pregnant, nursing or under a doctor's care consult your physician. Avoid contact with eyes, inner ears and sensitive areas.

PLANT PART: Leaf/branch

EXTRACTION METHOD:

Steam Distilled

MAIN CHEMICAL COMPONENTS:

a-pinene, 1,8-cineole, linalool

Certified Pure Tested Grade
