

HONEY MYRTLE

Melaleuca Teretifolia 5mL

Sweet, fresh, citrus

Aromatic description

PRIMARY BENEFITS

- Provides a calming environment when diffused.
- Distinct floral and citrus fragrance.

PRODUCT DESCRIPTION

Locally harvested in Western Australia and steam distilled from the native *Melaleuca teretifolia* plants located in a belt of wetlands near Harvey WA, the sweet, fresh and sparkling citrus character of our Honey Myrtle essential oil is a celebration of our unique natural treasures and a tribute to the distinctive flora endemic to Australia.

A true gift of the Earth, our sustainably sourced native Honey Myrtle essential oil has the highest known citral content of all *Melaleucas*, (including Tea Tree) and this fragrant, herbaceous and lemony oil is recognised for its anti-bacterial properties and is also powerfully calming to the mind when inhaled.

Unearth a renewed appreciation for our indigenous plant life by adding a few drops of Honey Myrtle essential oil to your diffuser to quiet your mind.

USES

- Diffuse before your meditation or mindfulness practice or enhance concentration prior to study.
- Add to your Multi-Purpose Spray Cleaner to help disinfect surfaces.
- Drink with water for a refreshing taste.

DIRECTIONS FOR USE

DIFFUSION: Use one to two drops in diffuser of choice.

FOOD FLAVOUR USE: Add one or two drops to hot water for a soothing, natural and native infused tea.
