JOJOBA OIL

Jojoba Seed Oil / 100mL

PRIMARY BENEFITS

• Jojoba Oil is colourless, odourless and an ideal complement to essential oils.

• Jojoba Oil contains natural constituents similar to the sebum in our skin, making it easy to absorb.

• Helps moisturise and protect skin on face and body from dryness.

PRODUCT DESCRIPTION

A luxurious gift of nature, this precious botanical oil is extracted from the seeds of the desert shrub Jojoba and is colourless, odourless and an ideal complement to essential oils.

Jojoba Oil contains natural constituents similar to the sebum in our skin, making it easy to absorb. This light and nourishing oil naturally helps balance moisture and sebum as it gently hydrates the skin, protecting it from dryness and leaving it feeling soft and smooth.

USES

Jojoba Oil may be used alongside essential oils to enhance your daily skin and haircare routine. Naturally powerful at moisturising, Jojoba Oil's light texture is perfect when blended with essential oils for a relaxing massage or added to skincare to enrich the benefits and help essential oils easily absorb into the skin.

Jojoba Oil may also be used to help keep hair manageable and shiny and is beneficial when added to hair tonics featuring essential oils.

DIRECTIONS FOR USE

• Use as a bath oil by adding 1 capful (approximately 5 mL) to your bath with a few drops of essential oils to help moisturise skin all over.

• Add to a facial massage or hair oil alongside your favourite essential oil.

• Add 1-2 drops of your favourite essential oil such as Frankincense, Roman Chamomile or Lavender to Jojoba Oil to hydrate skin.

CAUTIONS

KEEP OUT OF REACH OF CHILDREN. If you are pregnant, nursing or under a doctor's care consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.

PLANT PART: Seed

EXTRACTION METHOD: COLD PRESSING

MAIN CHEMICAL COMPONENTS: Eicosenoic acid, oleic acid.
