

# dōTERRA KINGFISHER & TUI BIRD DIFFUSER

The New Zealand bush comes to life to the sound of the beautiful and endemic Tui Bird, one of the country's most unique looking and sounding birds. In Australia, it's the shy and glamorous Kingfisher natives that bring laughter and delight to rivers, coasts and forests.

A celebration of the wondrous and diverse wildlife native to Australia and New Zealand, this feature-packed diffuser adds ambience and a touch of modern elegance to your space while helping you enjoy the benefits of our pure essential oils.

- Ultrasonic diffuser emits powerful aroma-infused mist
- Suggested room size is up to 28m<sup>2</sup>
- Variable mist output lasts up to 14 hours, 6 hours on highest setting
- Timer included: 1,3, or 6 hours or always on
