PRODUCT DESCRIPTION

Take a walk outside among ancient trees. There's a full moon above. Feel the earth and hear the leaves rustle. Take in the forest through every sense. Bathe in the energy and clean air of the woods. Forest Bathing, or shinrin yoku, is the Japanese practice of finding calm, peace, and a sense of wellbeing by walking through a forest. Keep that inspiration with you with the invigorating and rejuvenating aroma of Midnight Forest After Shave. Infused with the dōTERRA Midnight Forest essential oil blend that includes CPTG® essential oils of Siberian Fir, Cypress, Juniper Berry, Black Spruce, Wild Orange, and Frankincense, Midnight Forest After Shave leaves newly-shaven skin hydrated, soothed, and calmed. With a lightweight, non-greasy formula, Midnight Forest After Shave is absorbed quickly into the skin. Elevate your morning and energise your day with Midnight Forest After Shave Lotion.
