PRODUCT DESCRIPTION

This Nutritive Duo powerhouse inspired the Yarrow|Pom Cellular Beauty Capsule, a supplement packed with antioxidants for a convenient approach to your beauty routine.

When taken daily, these capsules can help support skin's youthful appearance by combating oxidative stress.

In addition to Yarrow essential oil and cold-pressed Pomegranate oil, the formula is enhanced by CPTG Certified Pure Tested Grade® essential oils including Celery Seed, Frankincense, Palmarosa, Turmeric, and Melissa for the skin benefits they provide.

Important active ingredients include Grape Seed and Melon Extracts, as well as Zinc Citrate and Vitamin C. Grape Seed and Vitamin C are vital in collagen synthesis.

The specially selected essential oils included in the Yarrow|Pom Cellular Beauty Complex soothe and protect tissue throughout the body. Grape seed extract provides antioxidants, helping to support against oxidative stress, and the tissue damage it can cause. Grape seed extract and Zinc Citrate help neutralise a broad range of free radicals, which can be detrimental to the health of our skin.

Melon extract, with its antioxidant properties, enhances skin radiance to get that all-over glow.

Vitamin C, necessary for the growth and development of all body tissues and is essential for collagen production, gives the skin a youthful look and feel by maintaining healthy skin.

Yarrow|Pom Capsules help in activating skin-protecting proteins and inhibiting the enzymes that breakdown elasticity and collagen with the added benefit of promoting collagen production.

This vegan-friendly complex promotes cellular function and rejuvenation. In combination with Yarrow|Pom Body Renewal Serum and Yarrow|Pom Active Botanical Nutritive Duo, this powerful three-tiered approach is great with supporting vitality, overall wellness, and skin health.
