

On Guard[®] Sanitizing Mist

dōTERRA[®]

PRODUCT INFORMATION PAGE

PRODUCT DESCRIPTION

We all know the protecting power of On Guard essential oil blend and the wonders it does for us in helping our families and homes with environmental threats. Sometimes we're on the go and wish that On Guard could be in a format that's handy, convenient, and easy to use. In other words, sometimes we wish we had a sanitizer with the added benefits of On Guard CPTG essential oils. Now we have On Guard Sanitizing Mist.

On Guard Sanitizing Mist purifies hands through an extremely fine, quick drying mist. Infused with a natural apple extract, the moisturizing formula will not dry out the skin and leaves hands feeling soft and smooth. The On Guard blend of Wild Orange, Clove, Cinnamon, Eucalyptus, and Rosemary CPTG[®] essential oils provides an uplifting citrus spice aroma and its protective benefits. The naturally derived active ingredient, ethyl alcohol, gives the mist antiseptic properties to effectively cleanse hands and prevent the spread of bacteria. Sanitizing hands with the convenient mist is perfect for traveling, school, work, and on-the-go families.

KEY INGREDIENTS AND BENEFITS

- Infused with moisturizing apple extract
- On Guard Protective Blend provides an invigorating citrus spice aroma
- Sanitizes hands when soap and water are unavailable
- Convenient size for travel and on the go use
- Use to sanitize hands after touching gym equipment, door handles, and shopping carts

INGREDIENTS

Ingredients: Alcohol, Water (Aqua), Pyrus Mallus (Apple) Fruit Extract, Glycerin, Eucalyptus Globulus Leaf Oil, Citrus Aurantium Dulcis (Orange) Peel Oil, Eugenia Caryophyllus (Clove) Bud Oil, Cinnamomum Zeylanicum Leaf Oil, Cinnamomum Zeylanicum Bark Oil, Rosmarinus Officinalis (Rosemary) Leaf Oil

DIRECTIONS FOR USE

Shake well before use. Apply 1–2 mists directly to hands; rub together until dry.

CAUTIONS

Flammable. Keep away from flame, spark, or temperatures above 40 °C (104 ° F). For external use only. When using this product, avoid contact with eyes. Stop use and ask a doctor if irritation and redness develop. Keep out of reach of children. See label for additional cautions.
