PRIMARY BENEFITS

- Can soften and soothe dry skin
- Acts as an effective, natural barrier against environmental threats
- Can be used safely by everyone in the family

PRODUCT DESCRIPTION

When it comes to outdoor protection, no defense is better than Mother Nature's offerings. Among these are essential oils which protect from potential threats in their environment. TerraShield® Outdoor Blend contains powerful essential oils and other plant oils known to provide outdoor protection in a natural, safe way. This newly updated formula contains a selected blend of essential oils including Ylang Ylang, Cedarwood, Catnip, Lemon Eucalyptus, Litsea, Arborvitae, Nootka, and Vanilla Bean Absolute which may protect against environmental annoyances. The Blend contains Fractionated Coconut Oil, which can help soften and soothe dry skin. The addition of Tamanu oil provides added support and through dōTERRA's Co-Impact Sourcing™, the harvesting of Tamanu oil is positively affecting the livelihood of harvesters in Madagascar. Now available in both a 15mL bottle and new 30mL sprayer, TerraShield® Outdoor Blend is a powerful yet safe formula that can be used by every member of the family, outdoors and throughout the home.

USES

- Apply TerraShield® to the legs, arms, and neck before going outdoors or diffuse on your patio.
- Take TerraShield® on camping trips or to outdoor events.
- Spray TerraShield® around your door, window seals, and tent.
- Can be used to soften and soothe dry skin.

DIRECTION FOR USE

Topical use: Apply one to two drops to desired area. Dilute with dōTERRA Fractionated Coconut Oil to minimize any skin sensitivity.

Aromatic use: Use three to four drops in the diffuser of your choice.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
