## PRODUCT DESCRIPTION

Cold pressed from the peel, Wild Orange is one of dōTERRA's top selling essential oils due to its multiple benefits. The Wild Orange essential oil comes from the citrus sinensis tree, commonly known as sweet orange tree. It is a flowering evergreen tree native to Asia. Today, it is grown in warm climates all over the world, such as the Mediterranean, California and Florida. The tree can grow to a variety of heights, anywhere from around 2 to 9 meters. The tree blooms during springtime, the orange tree boasts white, fragrant flowers which give way to the familiar round orange fruit.
