ESSENTIAL SKIN CARE GUIDE

Choosing the right skin care products and knowing when to use them is the first step toward vibrant, healthy-looking skin. Regardless of your skin type or age, every daily skin care routine should include four basic steps: cleansing, toning, targeting, and moisturizing. Select products based on your specific skin care concerns and individual needs. For best results, follow the steps below.

1. Cleanse

FACIAL CLEANSER

Start and end the day with a good cleanser. Cleansing is important to overall skin care and the best way to rid the skin of excess oils, makeup, pollution and other build-up.

INVIGORATING SCRUB

Exfoliating is necessary for removing dead skin cells and other impurities that can clog pores. Depending on your skin sensitivity, exfoliate in place of normal cleansing 2-3 times per week morning or night to rejuvenate your skin.

2. Tone

PORE REDUCING TONER

In addition to reducing the appearance of pores, toning will remove any traces of dirt and oil left on the skin after cleansing and prepares the skin for other skin care products or makeup.

3. Target

TIGHTENING SERUM

Designed to be used morning and night, Tightening Serum moisturizes your skin while targeting the appearance of normal aging.

MOISTURIZING EYE CREAM

No matter your age, it's beneficial to use an eye cream morning and night to target the appearance of fine lines and wrinkles around the delicate eye area.

4. Moisturize

PROTECTIVE MOISTURIZER

Optimal hydration is key to preventing and treating the appearance of fine lines, wrinkles and other normal signs of aging. Suitable for all skin types and ages, this light moisturizer can be used morning and night or as frequently as desired.

HYDRATING CREAM

Intensely hydrating and formulated with probiotics to nourish your skin, Hydrating Cream can be used morning and/or night depending on your skin needs.

LIST OF ESSENTIAL OILS

Blue Tansy

Recognized for its deep blue color and sweet, fruity aroma, Blue Tansy also soothes and promotes the healthy appearance of skin.

Frankincense

No skin care regimen would be complete without a generous amount of Frankincense to renew and support youthful-looking, healthy skin.

Geranium

Geranium offers outstanding benefits for soothing and calming skin, making it the perfect choice for a skin care product.

German Chamomile

German Chamomile provides profound calming benefits for irritated or sensitive tissues.

Grapefruit

Known for its invigorating properties, Grapefruit also provides excellent cleansing benefits.

Hawaiian Sandalwood

Widely acknowledged as superior in skin care applications, Hawaiian Sandalwood helps support smooth, youthful-appearing skin.

Helichrysum

Sourced from Corsica, Helichrysum contains up to 10 percent diketoes, which are known for their renewing effects. It also contains up to 30 percent sesquiterpene hydrocarbons, known as calming agents, as well as up to 50 percent esters.

Jasmine

A popular oil for its aroma, Jasmine is included for its soothing and toning properties.

Lavender

Used for centuries in skin care regimens, Lavender has numerous benefits including calming, soothing, and rejuvenating properties.

Tea Tree

Tea tree has been revered for its cleansing and rejuvenating properties, especially for the skin.

Myrrh

Myrrh provides numerous benefits to the skin, including soothing irritated, dry, or chapped skin

Peppermint

Peppermint produces a cool, relaxing sensation while helping calm sensitive tissues.

Rose

Rose not only provides a beautiful aroma, it supports healthy and even skin tone as well as reducing the appearance of imperfections.

Ylang Ylang

Although Ylang Ylang is often valued for its pleasant, mood-enhancing fragrance, it also functions as an astringent and has pH balancing properties for the skin.
