

KEY INGREDIENTS AND BENEFITS

- Cocoa seed butter is a nutrient-rich emollient that helps keep skin looking hydrated in addition to acting as a protective conditioning agent
- Erythritol provides moisturizing properties to the skin
- Biosaccharide gum-1 soothes, moisturizes, and reduces the signs of aging

PRODUCT DESCRIPTION

The intensive moisture your skin has been waiting for, dōTERRA's Hydrating Cream is packed with emollient-rich ingredients and effective anti-aging combatants for smooth and luxuriously hydrated skin. Its creamy formula provides an immediate burst of active moisture without leaving an oily residue. Carefully chosen ingredients are designed to rejuvenate the look of mature skin, as well as help to reduce the visible signs of aging due to both natural and environmental causes. dōTERRA Hydrating Cream aids in soothing and restoring balance to the skin for a more youthful and glowing appearance. Perfect for use day or night.

DIRECTIONS FOR USE

Apply to clean face and neck. Use morning and/or night.
