

**CPTG®** Certified Pure Tested Grade

**IKISE® | Dual Serum *Smooth & Rich* | Step 4**  
0.95 fl oz / 28 mL

## Primary Benefits

- + Includes CPTG® Frankincense essential oil, which is renowned for its skin-conditioning benefits
- + Encourages a bright and even-looking skin tone with niacinamide
- + Helps protect the skin from environmental stressors with zinc and copper gluconate, while also improving the appearance of fine lines, wrinkles, and skin texture
- + Includes moisturizing ingredients—including squalane and hyaluronic acid—to retain skin moisture
- + Is ISO 16128 compliant and 94% natural origin index, including water

## Description

Treat your skin to a lightweight, dual-phase serum that delivers deep hydration, while also enhancing a natural, radiant glow. Thoughtfully formulated and dermatologist-tested for gentle effectiveness, IKISE Dual Serum includes niacinamide and gluconolactone for aging skin, helping improve visible signs of aging and promoting a revitalized appearance. Pure Frankincense essential oil provides a warm, deep aroma, transforming your daily routine into a calming ritual. The serum's soft pink hue comes from cyanocobalamin, a natural skin-conditioning ingredient. Slight variations in color may occur but do not affect performance or quality.

For best results, use after applying IKISE Lotion Smooth & Rich as part of your skincare routine.

## Directions

In the morning and evening, after preparing your skin with toner, shake well then dispense about 2–3 pumps into your hand and apply evenly to your entire face and neck.

## Cautions

For external use only. Avoid contact with eyes, if product gets into your eyes, rinse immediately. Discontinue use if skin irritation occurs. Store in a cool dark place, and out of reach of children.
