

PRODUCT DESCRIPTION

Modern and elegant, the Lotus diffuser provides an aromatic and serene essential oil experience. This high quality diffuser quickly releases the therapeutic benefits of dōTERRA® essential oils into the air without a sound, and can run for up to three hours. The contemporary look of the Lotus diffuser provides a decorative piece to any home or office, while emitting an ultra-fine, soothing mist of CPTG® essential oils that covers up to 330 square feet. The Lotus diffuser has three settings—1, 2, and 3 hours—and features an optional soft-white night light. The front panel is easily removed for quick access to the reservoir and cleaning. The Lotus provides state-of-the-art diffuser technology and an exclusive, modern design for essential oil diffusion that promotes health and vitality.
