## Description

As you age, so does your metabolic function. Your metabolism influences your energy, weight, body composition and even your cognitive performance. MetaPWR Advantage was developed to help promote healthy cell and organ function, to keep you mentally energized, and help promote healthy weight and body composition. Combined with healthy lifestyle choices, taking MetaPWR Advantage once a day can help fortify your metabolic health. MetaPWR Advantage contains NMN and resveratrol which preclinical research has shown to promote healthy metabolic functions in the body. Advantage also contains nine types of collagen tripeptides from marine sources, which may promote skin elasticity, density, and firmness. In addition, the collagen tripeptides may support lean muscle and connective tissue.

MetaPWR Advantage Dietary Supplement—part of the MetaPWR Metabolic System—is created to support healthy lifestyle regimens focused on increased energy and vitality, metabolic health, and weight management to add health to your lifespan.
