

CPTG Certified Pure Therapeutic Grade®

MetaPWR™ | Metabolic Assist

Dietary Supplement

Serving Size: one capsule | Servings Per Container: 30

Primary Benefits

- + May support reduced absorption of simple carbohydrates and sugar
- + May help promote healthier blood glucose levels
- + May promote a healthy metabolic profile
- + May help support healthier fat metabolism
- + Provides three times the active component 1-deoxynojirimycin (DNJ), typically found in mulberry leaf extract supplements

Description

MetaPWR Assist can be a powerful addition to a daily metabolic health regimen when taken daily before the largest meal of the day.[†] Each capsule contains standardized mulberry leaf extract, eriocitrin, cinnamon bark powder, and the proprietary MetaPWR™ Metabolic Blend. Developed with dōTERRA clinical researchers, this blend uses a superior process to maximize the active component in mulberry leaf extract, 1-deoxynojirimycin (DNJ). Although more confirming research is needed, preclinical studies suggest DNJ may support reduced absorption of simple carbohydrates and sugar.

MetaPWR Metabolic Assist Dietary Supplement—part of the MetaPWR Metabolic System—is created to support healthy lifestyle regimens focused on increased energy and vitality, metabolic health, and weight management to add health to your lifespan.[†]

+ No GMO	+ No Soy	+ No Preservatives
+ No Dairy	+ No Gluten	+ No Artificial Sweeteners or Flavors

Directions

Suggested Use: Take one capsule 15 to 30 minutes before a meal.

Cautions

Keep out of reach of children. If pregnant, nursing, diabetic, or under a doctor's care, consult your physician. Store in a cool, dry place.
