PRODUCT DESCRIPTION

dōTERRA Natural Deodorant is an all-natural formula infused with Cypress, Melaleuca, Cedarwood, and Bergamot essential oils to create an effective, odor-fighting product for both men and women. These powerful essential oils inhibit underarm odor while leaving a fresh, clean scent. Known for their protective and skin-nourishing properties, beeswax and coconut oil make this unique formula glide on easily for a smooth application. Shea butter hydrates skin and absorbs quickly, contributing to the product's non-greasy, light feel. dōTERRA Natural Deodorant is a safe, natural option for preventing odor throughout the day.

DIRECTIONS FOR USE

Apply as needed to underarms only. Store at room temperature.

CAUTIONS

For topical use only. If irritation occurs, discontinue use.

PRIMARY BENEFITS

- Cypress, Melaleuca, Cedarwood, and Bergamot (FCF) essential oils provide purifying benefits, helping reduce underarm odor
- Beeswax provides a protective barrier while allowing skin to breathe and contributes to the product's smooth application
- Coconut oil contains fatty acids, known for their nourishing properties and ability to keep skin smooth and healthy-looking
- Shea butter hydrates skin without leaving a greasy after-feel
- Free of alcohol, aluminum, parabens, and artificial colors and fragrances
