PRODUCT DESCRIPTION

dōTERRA On Guard+ Softgels combine the proprietary blend of dōTERRA On Guard Protective Blend with Black Pepper, Oregano, and Melissa essential oils for additional immune support. dōTERRA On Guard+ is a great way to strengthen and maintain healthy immune function when seasonal threats are high. Encapsulated in vegetarian softgels, this distinctive blend contains essential oils known for their positive effects on the immune system and their ability to protect against environmental threats. dōTERRA On Guard+ should be taken on an occasional basis.

If you have friends or family members who don't like the taste of essential oils (or the taste of On Guard specifically), dōTERRA On Guard+ Softgels provide a simple way to take in appropriate doses while minimizing the taste.

DIRECTIONS FOR USE

Take 1 or more softgels as needed to promote healthy immune function.
