- + Sanitizes the hands after touching gym equipment, door handles, and shopping carts

Product Description

dōTERRA On Guard Hand Sanitizing Mist is 99.9% effective against the most common germs and purifies the hands with an extremely fine, quick-drying mist. Infused with a natural apple extract, the moisturizing formula doesn't dry out the skin and leaves the hands feeling soft and smooth. The dōTERRA On Guard® Protective Blend with CPTG® Wild Orange, Clove, Cinnamon, Eucalyptus, and Rosemary essential oils provides an uplifting citrusy, spicy aroma. The naturally derived active ingredient, ethyl alcohol, gives the mist antiseptic properties to effectively cleanse the hands and prevent the spread of bacteria. This convenient mist is perfect for sanitizing the hands while traveling, at school or work, or on the go.

Directions

Shake well before each use. Apply one to two mists directly to hands. Rub together until dry.

Cautions

Flammable, so keep away from flame, spark, or temperatures above 104°F (40°C). For external use only. When using this product, avoid contact with eyes. Stop use and ask a doctor if irritation and redness develop. Keep out of reach of children.
