Recommend Product for use mix Single Oil - Cosmetic

Fractionated Coconut Oil for Skin Care

Fractionated Coconut Oil is an all-natural carrier oil that readily absorbs into the skin, making it an ideal oil for topical delivery. Its feather-light emollient effect provides a soothing barrier without clogging pores and is excellent for dry or troubled skin. Recommend to mix with your favorite essential oils.

Benefits

- Moisten your skin, It leaves skin feeling silky smooth
- Natural Emollient dilute the potency of an essential oil, but also increase absorption into the skin
- Colorless, Odorless, and will not stain which makes essential oils more effective

Usage : Dilute one part essential oil to five parts or more of Fractionated Coconut Oil depending on skin sensitivity, or as directed on essential oil label.

*may be not include in your kit, please see product detail
