

This form is required when any business entity applies to become a dōTERRA Wellness Advocate. Please complete this form and return it with all other requested materials at the bottom of this form to dōTERRA Enterprises (Thailand) Limited for acceptance and approval. All persons having any legal or beneficial interest (e.g., directors and shareholders) should be identified. You may submit as many addendums as are necessary to be complete. If any information changes, including any organizing documents, dōTERRA must be notified in writing and provided copies of relevant documents within thirty (30) days of the change to avoid a material breach of your Wellness Advocate Agreement. This addendum binds all persons having a beneficial interest in the applicant company by the dōTERRA Wellness Advocate Agreement and Policy Manual.
