

# Brightening Gel

dōTERRA®

PRODUCT INFORMATION PAGE

CPTG

## KEY INGREDIENTS AND BENEFITS

- Daisy Extract is a natural, skin-brightening agent that acts by promoting even skin tone and increase the skin's natural brightness
- Ginger Root Extract promotes even skin tone and radiant-looking skin
- Vitamin C provides skin-brightening benefits
- Microencapsulation technology protects ascorbyl tetraisopalmitate from breakdown due to oxygen exposure, ensuring both the stability and efficient delivery of the vitamin to the skin

## PRODUCT DESCRIPTION

CPTG essential oils of FCF Bergamot, Juniper Berry, and Melissa combine with natural extracts, vitamins, and cutting edge ingredient technologies to brighten and even skin tone. dōTERRA Brightening Gel is a gentle and effective way to noticeably brighten the skin by reducing the appearance of dark spots and hyperpigmentation without the harsh chemicals used in other brightening products. Can be used as an all-over facial product or to target dark spots.

## DIRECTIONS FOR USE

Apply a small amount of gel evenly to face and neck or to specific areas of concern.

## CAUTIONS

For external use only. Avoid direct contact with eyes. If skin irritation occurs, discontinue use.
