## PRODUCT DESCRIPTION

The heart of dōTERRA lies in the way we care for our partners, customers, communities, and the earth. We see this same mission—being good stewards and using the precious gifts of the earth to share hope and healing with others—in Hawaiian culture. In Hawaiian culture, the word for this is *mālama*. Like the breathtaking beauty and vibrant culture of the islands of Hawaii, dōTERRA Mālama Nurturing Blend captures the magic and energy of this land and its people. Blissfully fresh and warm, dōTERRA Mālama is a sparkling combination of bright citrus, enchanting floral, and centering wood aromas. This blend is intended to be your daily reminder to *mālama*—nurture and take care of—yourself, your communities, and your environment.

The blend's Naio Wood and 'Iliahi (Hawaiian Sandalwood) are sourced in the Kealakekua Mountain Reserve, a dōTERRA Cō-Impact Sourcing® partner and home to the largest reforestation effort in Hawaii's history. *Mālama i ka 'āina*—when you take care of the land, it takes care of you. Find out more about the dōTERRA Mālama Cō-Impact Sourcing story at <https://www.doterra.com/US/en/malama>.

## USES

- Diffuse in your favorite dōTERRA diffuser throughout the day.
- Put one to two drops onto your wrists.
- Add five to eight drops to dryer sheets or balls to add a delightful aroma to your laundry.

## DIRECTIONS FOR USE

**Diffusion:** Use three to four drops in the diffuser of your choice.

## CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas. Avoid sunlight and UV rays for at least 12 hours after applying product.
