- + Contains non-nano zinc oxide, avocado oil, aloe vera, Carrot Seed, Frankincense, Helichrysum, raspberry seed oils, and vitamin E
- + Contains NO parabens, phthalates, oxybenzone, or synthetic fragrances

Description

dōTERRA sun Face + Body Mineral Sunscreen Lotion is a mineral-based sun protection lotion that delivers incredible benefits, so your skin looks and acts as young as you feel. Formulated with non-nano zinc oxide, this lotion delivers lightweight SPF 30 UVA/UVB broad-spectrum protection. With the power of plant-based ingredients like aloe vera and vitamin E—coupled with a blend of CPTG essential oils, including Carrot Seed, Frankincense, and Helichrysum—this sunscreen lotion provides nourishment to the skin from head to toe. This formula is oxybenzone-, paraben-, and phthalate-free. It is also reef-safe, vegan-friendly, cruelty-free, noncomedogenic, and dermatologist tested. The container offers a convenient flip-cap, so you won't lose the lid during application. Made for everyday use by every age, dōTERRA sun has you covered...naturally.

Directions

Apply liberally to the skin 15 minutes before sun exposure. Apply to all skin exposed to the sun. Reapply at least every 2 hours. Store at room temperature.

Cautions

For external use only. Do not use on damaged or broken skin. When using this product, keep out of eyes. Rinse with water to remove. Stop use and ask a doctor if rash occurs. Keep out of reach of children. If swallowed, get medical help, or contact a Poison Control Center right away. Avoid contact with eyes and sensitive areas.

Children under 6 months of age: ask a doctor before use.
