

# Wild Orange

Oil Natural Flavor 15 mL

dōTERRA®

Product Information Page

CP TG

**Application:** I | N

**Plant Part:** Peel

**Extraction Method:** Cold pressed

**Aromatic Description:** Sweet, fresh, citrus

**Main Chemical Component:** Limonene

## Primary Benefits

- + Use for flavoring
- + Citrusy taste

## Description

Citrus sinensis, commonly known as sweet orange, is a flowering evergreen tree native to Asia. Today, it is grown in warm climates all over the world. Each part of the orange has been used in traditional Persian medicine, traditional Chinese medicine, Indian herbal medicine and Japanese herbal medicine to treat a variety of health conditions. Cold pressed from the peel, Wild Orange is one of dōTERRA's top selling essential oils due to its energizing aroma.

## Uses

- + Add a drop to your water every day for a burst of flavor.

## Directions

**Internal use:** Dilute one drop in 120 mL of liquid.

See additional precautions below.

## Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas. In case of contact with skin, avoid sunlight and UV rays for at least 12 hours.
