# Be a Solutions Provider

A dōTERRA® Wellness Advocate shares a new kind of health care. We teach “with a book and a box” (oil reference guide and box of dōTERRA CPTG® essential oils), you are prepared to address about 80 percent of your health priorities at home. For the other times we invite you to partner with healthcare practitioners who support your commitment to using natural solutions.

By choosing to be the solutions provider in your own home, your experiences create enthusiasm to share with others. During every interaction with prospective members, paint a picture of self-directed wellness.

The dōTERRA Empowered Success program enables you to empower others to change their lives.

Commit to and schedule your PIPES activities. This guide provides you with details on how to effectively engage in the essentials of launching your business.

## TIPS

- Be authentically you and naturally share your experiences to expose others to the possibilities.
- With this positive exposure, invite your prospects to learn more at a class or one-on-one presentation where you offer the opportunity to enroll.

## Launch Essentials:

- 1 INVITE** to product and business presentations

## Expand Your Influence

The more people who experience your message, the more people enroll, and the more lives you change, including your own. Start sharing with your own warm market (trusted/established relationships). As they fall in love with dōTERRA, they become an ongoing source of contacts.

### DURING YOUR LAUNCH MONTH:

1. Invite 45 people
2. Schedule 3 classes or 15 one-on-ones (or combination)
3. Set time to invest in your business
4. Ask yourself and schedule:
  - Who needs a Natural Solutions intro to oils?
  - Who needs a follow-up to enroll?
  - Who needs a Lifestyle Overview?
  - Who needs a Business Overview?
  - Who is ready to host a class?

### REFINE YOUR PROSPECTS

# Success Tracker

Refine your Names List (from *Build* and *Share* guides) and track your PIPES activities with your top 45 prospects. Search your phone contacts and social media friends for ideas of who values health, purpose, and freedom. As new people come to mind and into your life, add them to your list to keep up the flow. Identify prospective builders who stand out as those with higher capacity for success (see page 15).

# Connect, Share, and Invite

dōTERRA® is a relationship business. Anchor your attitude in the belief that caring is the most important gift you give everyone you connect with. Whether with an existing relationship or someone new, build trust in every interaction. Seek to change lives by sharing what you love, no matter where you are or who you are with.

## 1 CONNECT WITH PEOPLE AUTHENTICALLY AND SINCERELY

Refer to people by name. Ask questions and listen to discover their interests and needs. Be authentic and build relationships of trust. Uniquely connect with new friends and those you already know.

### Someone You Already Know:

*How are you? How is your family? OR Catch me up. What's going on in your life? I saw your post about your child not feeling well. How are you both holding up? (Customize for existing contacts)*

### Someone New:

People love talking about themselves. Ask questions about areas of their life that you think they will be excited to talk about. Find common ground and be relatable when you meet someone new.

## 2 CONNECT THOSE PEOPLE TO YOUR SOLUTIONS

Share a solution by looking for ways to add value and naturally match your solutions of product or business to their needs.

### Someone You Already Know:

*You know how it seems like so many people are into natural wellness these days? It seems more and more important to eat better, exercise more, get quality sleep, and get rid of toxic products around the house. Is that pretty much how you are as well? What kinds of things are you doing with your family? What do you know about essential oils?*

*Seriously, essential oils are rocking my world I can't keep this to myself! You've got to check this out. Have you ever tried any? This is what someone did for us. We would love to give you a little something to try for a health priority you want to target. Then we just check back with you in a couple days to see how it's working."*

### Someone New:

*Get to know someone new. Ask questions about their work so you can customize your response and be relatable. Whatever they say, see it as someone you can or already have worked with. "I work with moms and teach them how to take care of their family naturally using essential oils and other products." OR "I work with chiropractors and teach them to create an additional stream of income in their office by sharing with their clients how to live a wellness lifestyle with essential oils." IF you need to go first, "It's actually pretty amazing. I love what I do.... What do you do?"*

# Invite to Change Lives

You don't need to be an expert to successfully invite people to become their own solutions provider. Discover what's most important to each person by taking a genuine interest in who they are, what they are experiencing, and how you can serve them.

## 3 CONNECT TO A PRESENTATION

Here are some ways to invite to learn more at different events. Refer to the *Share* guide for additional guidelines.

### WEBINAR

“I know you said you were interested in \_\_\_\_\_ (topic). If I sent you access to a webinar about \_\_\_\_\_ (topic), would you watch it?”

### CLASS

“I've been learning about essential oils and they are making a huge difference for me and my family. We use them for everything; sleep, more energy, immune boosting, non-toxic cleaning; you name it! I know at your house you have struggled with \_\_\_\_\_ (e.g. kids seasonal challenges, tension) and I thought of you! I am teaching a short health workshop and I'd love for you to be my personal guest. It's at my house Thursday at 7:00 or we can meet together next week. What works best for you?”

### LIFESTYLE OVERVIEW

“I want to make sure you know how to use your new products and maximize your rewards. Our next step is to set up a quick call to make your wishlist, show you how to order, and give you the best tips and tricks on how to get the most free product. It takes about 30-40 minutes. The goal is for you to be able to order on your own anytime you like. How does that sound to you? Great! I have Wednesday at 1:00 or Thursday evening after dinner open. Which is better for you?”

### ONE-ON-ONE

“Hi \_\_\_\_\_, do you have a second? Great, I just have a second myself; but I'm calling my health-conscious friends and setting up a 30-minute visit to go over their health goals, suggest a few cool tips using essential oils and other natural products, and then show the most popular options. If you end up finding things you want to try for you or your family, that's great. If not, that is totally OK. Is that something you are open to exploring? Great! Is tomorrow at 1:00 or Thursday evening at 7:00 better for you?”

### BUSINESS OVERVIEW

“There are three ways that I support my customers on their dōTERRA journey. The first way is to help you learn how to use the products, get more education, and refer friends who are interested in attending a class.

The second way is to help get your products paid for and maybe even create some fun money by sharing dōTERRA with those you love.

And the third way is for those who say, “I know it's important to have multiple streams of income and I'm passionate about natural health. I would love to be able to create a business doing this part time from home.”

“So, which one of those three ways is the best way for me to support you?”

When they say number two or number three, say, “I set aside time each week to share what that looks like. I have Tuesday at 7:00 and Thursday at noon. Which one works best for you?”

## Help People Say Yes:

- Be clear on what you are inviting them to (e.g. class to discover solutions for health concerns)
- Let them know the value of investing their time
- Give two options that can work for them (e.g. class or one-on-one)
- Strengthen relationships, build trust through multiple interactions, and keep your word

# Present the Message

The next step for your prospects, after being invited to learn more, is to experience the message about dōTERRA's life-changing products and income-producing opportunity.

**PRESENTATIONS CAN HAPPEN IN DIFFERENT WAYS. DO WHAT WORKS BEST FOR YOU.**

Class, One-On-One, or 3-Way Call

*Likely you've thought of people you know who would benefit from this same experience. If you'd like to host your own gathering, see one of us after. And if you book tonight, you take home this keychain! (show keychain)*

# Enroll Successfully

Enrolling is the climax of the presentation, when attendees choose to change their life! During the class, find out why the class members are there and be prepared to offer solutions that meet their needs. Guide new enrollees on choosing the membership and kit that is best for them.

## “ THE CLOSE

At the beginning, I promised to show you how to get these oils into your home. Let's go over your options. Tell them about membership options.

### Option One

“ Now I am going to show you the two most popular kits to get you started. This is the Home Essentials Kit, which comes with the top 10 oils, many of which we just talked about. It also includes a lovely diffuser for only \$275. The big favorite however, is the Natural Solutions Kit. It literally comes with everything you see in the bathroom cabinet (turn back the page and point). It is truly a lifestyle kit, covering all three basic areas of interest; being prepared, self-care, and daily health habits. It comes with our finest diffuser, a box to store your oils in, and after placing your first Loyalty Rewards order, you automatically have 100 free points to use on some new favorite products to try. And bonus! You fast track yourself to the 15 percent level for your Loyalty Rewards Points. You can see why this is our favorite kit!

### Option Two

“ Now I am going to show you two of our most popular kits to get you started. This is the Family Essentials Kit. More of a sample or travel size kit with 85 drops per bottle and its \$150. The Home Essentials Kit has the same oils but with 250 drops per bottle and a diffuser for only \$275. Triple the amount of oils for less than twice the money. Both kits come with Frankincense, which retails for \$92 a bottle.

## “ NEXT STEPS

- Mention any enrollment special and how to qualify to receive it. Be clear and concise.
- Let them know they can add single items for specific priorities. Have a reference guide available for them to look things up.
- Remind them they can earn a free gift for enrolling today.

Choose the kit that's best for you and your family.

- Invite them to turn to the enrollment forms, explain Wholesale Customer vs. Wellness Advocate, instruct on how to fill theirs out.

Enjoy the essential oil-infused refreshments. If you have any questions, \_\_\_\_\_ (host) and I can help answer them now.

## ENROLLING TIPS:

- Encourage prospects to purchase a kit so they have multiple products on hand, not just one or two things.
- Share what you love about the kit you feel is best for them.
- Connect everything back to their health priorities and how the kits are designed to provide specific support.
- The confused mind says no. Avoid showing an excess number of items. Show a few, offer a special, and keep it simple.
- Enroll most everyone as a Wholesale Customer. Enroll those who want to share or build as a Wellness Advocate.

## OVERCOMING OBJECTIONS:

- **Not sure what kit to order:** “What are you working on?” Look over their health priorities; invite them to find solutions in a reference guide. “What kit would best meet your needs?” Offer your suggestions. “If I were you, I would...”
- **Not sure which membership:** “What factors are you considering?” Listen and address their desires or concerns. Offer suggestions.
- **Financial concerns:** “Would you like to host a class so you can earn the money to get the kit you really want?”
- **Not sure where to start:** “Would it serve you best to choose a couple oils to address a health priority and then, with experience, you can better choose your kit in a week?”

# Lifestyle Overview

## 4 New Member Follow-up

✔ Invite to share or build dōTERRA

You have a 14-day window to discover the best placement of every new member you enroll. Your early engagement with your enrollees is critical to their long term success. Use the process below to guide your follow-up activities. To truly change lives, think of these first 14 days of their membership as your investment to ensure success for both of you—and all it takes is a little bit of your time. By modeling this support, your builders are much more inclined to do the same.

# Placement Strategy

Successful placement of your enrollees is critical to your growth, rank advancement, and qualification for commission bonuses. Set clear expectations to safeguard relationships and ensure best placement. Some choose their path right away, others take time to choose to go beyond being a customer. Use their first 14 days to learn all you can and then make the best placement decisions.

## PLACEMENT TIPS

All New Enrollees:

- Place each where they will best thrive and be supported. Choose long-term vision and success over short-term needs.
- Sponsorship can be changed one time within their first 14 days.
- Consult with your upline mentor or dōTERRA's business line at 801-370-2140 for placement strategy support.

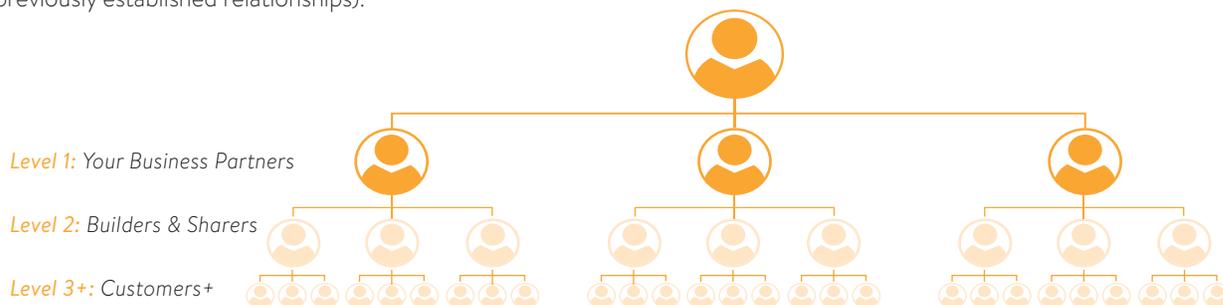

## TEAM PLACEMENT & STRUCTURE

The pace of building team structure varies. Depending on when your builders or business partners are enrolled and engage determines the rate at which you launch each new leg. For example, some start with one builder and grow from there while others may start with three (e.g. perhaps they began with a larger network or previously established relationships).

## UPGRADING OR MOVING WHOLESALE CUSTOMERS

A Wholesale Customer:

- Can be moved within 14 days of enrollment if their placement is better suited elsewhere.
- Can decide to upgrade themselves to a Wellness Advocate (WA) in their back office.
- If they decide to upgrade to a WA after their first 14 days, their sponsorship placement remains the same.
- If you want to change their placement (after their first 14 days), their WA upgrade must occur 90 days after enrollment. You then have 14 days to decide where to place them.
- Place customers on a team where they may have similar interests with others they already know.

## UNDERSTANDING ROLES

Enroller:

- The person who brought the enrollee to dōTERRA®. (Whose contact is it? Who invited them?)
- Receives Fast Start bonuses on their new enrollee's purchases for their first 60 days after their enrollment.
- Works with sponsor (if different) to determine who does Lifestyle Overview, follow-up, and other support.
- Enrollee counts for enroller's rank advancement (one per physical leg).
- The enroller can change a new enrollee's sponsor once during their first 14 days of enrollment via the back office.

*Always keep enrollership of your enrollees until it makes sense to transfer to their sponsor or another builder for rank advancement.*

### 6 Month Inactivity Move:

A Wellness Advocate can request a sponsor and / or enroller change after 6 months of inactivity (inactivity is defined as no ordering activity on any account and no commissions earned for six months). The person desiring to move must request this change themselves, using the email they have on file.

*All placement questions and requested moves and changes can be sent to [placements@doterra.com](mailto:placements@doterra.com)*

Sponsor:

- Person under whom the enrollee is directly placed (also referred to as their direct upline).
- Benefits from Power of 3 and unilevel bonuses.
- Assists with the Lifestyle Overview and other follow-up needs (depending on arrangements made).

To change sponsor in first 14 days: Back Office > Team > Sponsor Changes.

# Find Your Builders

## WHERE DO I FIND THEM?

Identifying your business partners is vital to building a thriving business. Start looking for builders among your existing customers and prospects. Many start out as product users or sharing with just a few. Encourage product experiences, do appropriate follow-up, and create vision for what's possible. With time, builders emerge.

If you don't find builders right away, keep enrolling. Statistically, 1-2 of every 10 are interested in building a dōTERRA® business sooner or later. Set a goal to find three builders during your first 30-90 days. When your team members enroll others and choose to build, more lives change and your team grows faster!

### Committed & Capable Builders

**Committed** = Completes 3 Steps in *Build* guide

**Capable** = Enrolls someone on their own in first 14 days of committing to build

## WHO DO YOU KNOW WHO IS...

- Relationship-oriented or influential
- Open to or lives a natural, healthy, active lifestyle
- Goal-oriented, self-motivated, ambitious
- Positive, passionate, inspiring
- Entrepreneurial, experienced in sales
- In a phase of life that supports building a business
- Looking for improved finances or better future

## WHAT TO PRESENT

People choose the dōTERRA Opportunity for different reasons. Some come for the added income, others for the mission. During the Business Overview, focus on what matters to them. Let the pages of the *Build* guide invite the right conversations. Knowing their desires helps you connect their goals to dōTERRA solutions.

**Step 1:** Present in one-on-one or group settings

**Step 2:** Invite your qualified prospects to become business partners

**Step 3:** Get new builders started with the 3 Steps (*Build* pg. 10)

## WHAT TO DO NEXT

Provide a Launch Overview for each of your new builders, sharing how this proven path sets them up for long-term success. Invite them to prepare to invite prior to their launch month.

Weekly Success Check-ins ensure:

- Steps of success are measured
- They feel connected and supported
- You consistently know how to best support

As you continue to enroll, consider placing some of your enrollments under committed builders who actively enroll and support their team. Ultimately, supporting them in reaching their goals helps you reach yours.
