## Independent Auditor's Report

Board of Directors  
dōTERRA Healing Hands Foundation  
Pleasant Grove, UT

We have audited the accompanying financial statements of dōTERRA Healing Hands Foundation, which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of dōTERRA Healing Hands Foundation as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Notes to Financial Statements**

**NOTE 1. NATURE OF OPERATIONS**

**Organization and Nature of Activities**

Founded as a public charity in June 2012, dōTERRA Healing Hands Foundation (the “Foundation”) is a Utah nonprofit corporation that began operations to serve people and communities in need. They do this by partnering with organizations and dōTERRA Wellness Advocates to offer hope to millions around the world. Through the Foundation’s efforts, lives are freed of disease and poverty, and communities are empowered with the tools needed to become self-reliant. The Foundation is affiliated with dōTERRA International, LLC (“dōTERRA”), which provides significant support; including contributions of proceeds from Rose Lotion sales and other inventory products, matching contributions and paying all administrative and fundraising costs for the Foundation.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Financial Statement Presentation**

The Foundation prepares its financial statements on the accrual basis of accounting and follows accounting principles generally accepted in the United States of America (“U.S. GAAP”) for nonprofit organizations. The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Classification of restricted net assets is determined by the nature of donor-imposed restrictions.

- Unrestricted net assets represent expendable funds available for operations which are not otherwise limited by donor restrictions.
- Temporarily restricted net assets consist of contributed funds subject to specific donor-imposed restrictions contingent upon specific performance of a future event or a specific passage of time before the Foundation may spend the funds. The Foundation reports contributions restricted by donors as increases in unrestricted net assets if the restrictions are met in the same reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- Permanently restricted net assets are subject to donor-imposed restrictions requiring that neither expire by the passage of time nor can be fulfilled or otherwise removed by the action of the Foundation. The restrictions require the assets be maintained in perpetuity usually for the purpose of generating investment income to fund current operations. At December 31, 2015 the Foundation did not have any permanently restricted net assets.

**Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Cash and Cash Equivalents**

The Foundation considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Pledges Receivable**

Pledges receivable that are to be collected within one year are recorded at net realizable value. Pledges receivable that are expected to be collected in future years are recorded at the present value of their estimated discounted future cash flows. There are no long-term pledges receivable as of December 31, 2015.

An allowance for doubtful accounts is recorded based on historical experience and management's analysis of specific balances. Pledges receivable are considered fully collectible; accordingly, no allowance for uncollectible pledges receivable has been recorded as of December 31, 2015. Conditional pledges or indications of intentions to give are not reported until the conditions are met.

**Contributions**

Contributions are recognized when the donor makes a pledge to give to the Foundation that is, in substance, unconditional. Contributions are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and nature of any donor-imposed restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Conditional pledges are not recognized until the conditions on which they depend have been substantially met.

**In-kind Contributions**

Donated services, property, marketable securities and other noncash donations are recorded as contributions at their estimated fair value at the date of donation. The Foundation received in-kind donations that included salaries and wages, payroll taxes and employee benefits, facilities and other goods for its programs. Estimated fair value of in-kind contributions is determined by management.

**Grant Expenditures**

Grant expenditures are recognized in the period the grant is approved, provided the grant is not subject to significant future conditions. Conditional grants are recognized as grant expense and as a grant payable in the period in which the grantee meets the terms of the conditions.

**Functional Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**Advertising Costs**

Advertising costs are charged to activities when incurred. Advertising expense was \$4,387 for the year ended December 31, 2015.

**Concentrations**

The Foundation maintains its cash and cash equivalents in financial institution accounts, which may, at times, exceed the federally insured limit. The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash held in such institutions.

The Foundation relies upon donations from corporate and private donors. For the year ended December 31, 2015 dōTERRA comprised 61.3% of all contributions. The Foundation may be vulnerable to concentration risk should dōTERRA cease to support the Foundation.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Income Taxes**

The Foundation is a Utah nonprofit corporation that is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and (vii), and has been determined not to be a private foundation under Sections 509(a)(1) and (3), respectively.

The Foundation's Returns of Organization Exempt from Income Tax (Form 990) are subject to examination by the IRS generally for three years after they were filed. The Foundation believes it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. Tax years that remain subject to examination are for the tax years 2012 and forward.

**New Accounting Pronouncements**

In August 2016 Update 2016-14—*Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities* was issued to improve the current net asset classification requirements and the information presented in financial statements and notes about a not-for-profit entity's (NFP's) liquidity, financial performance, and cash flows. The ASU is effective for annual financial statements issued for fiscal years beginning after December 15, 2017, and for interim periods within fiscal years beginning after December 15, 2018. Application to interim financial statements is permitted but not required in the initial year of application. Early application of the amendments is permitted. Management is currently assessing the impact that this guidance will have on the financial statements.

**NOTE 3. GRANTS PAYABLE**

Grants payable consisted of approved grant commitments. As of December, 31, 2015, based on grant agreements, amounts payable are expected to be paid in the following years.

2016	\$ 506,600
2017	25,000
Thereafter	-
	\$ 531,600

**NOTE 4. RESTRICTED NET ASSETS**

Temporarily restricted net assets are available for the following purposes at December 31, 2015:

Mentors International, Goddard Matching Campaign (Peru, Philippines, Ghana, other)	\$ 356,980
Mentors International, Microlending (Ghana)	25,000
Scholarships	2,450
	\$ 384,430
