

# Key Support Planner

For \_\_\_\_\_  
(month or 90-day period)

Are you ready to watch your team take off? Investing time and effort in your leaders produces results. Complete this worksheet to create a plan for supporting and investing in your team.

- 1 Connect with your leaders and discuss how to best support them. Ask them what they need from you as their upline.
- 2 Create a plan to support based on their needs and your experience. Support them in their goals in a way that works for both of you.
- 3 Consider investing in what will make the biggest impact (e.g. personal development, recognition, incentives, travel, team events, essential oil reference guides, and convention tickets).
- 4 Write your plan for supporting your key leaders and their key leaders in the spaces provided.
