

As outlined in the Policy Manual, a Diamond who personally enrolls a new Wellness Advocate that achieves the rank of Premier within three months of sponsoring their first member will be allowed to place the new Enrollee on their frontline or under any Wellness Advocate between the current Sponsor and the Enroller.

This request must be submitted on or before the 10th day of the calendar month following the new Premier being paid as Premier. (If submitted before the Premier has first been paid as Premier, please allow time for commissions to be finalized.)

APPROVALS

As the Enroller, I am requesting this placement change and believe it will be the best position for this Wellness Advocate to thrive in my organization. This Wellness Advocate achieved the rank of Premier within the timeline described in dōTERRA's Policy Manual to be eligible for a Sponsor change. I confirm that I have spoken with all those who will be impacted by this move (including current Sponsor and any others this will be moving out of under) and all are aware of this change.
