InTune® | Focus Blend 15 mL

60233467

Primary Benefits

- + Creates an environment that encourages clarity and focus
- + Fills your space with a clear, refreshing aroma
- + Provides a bright, balanced aroma for a gentle boost or a midday pick-me-up
- + Supports a calm, grounded atmosphere when the mind feels busy

Description

InTune Focus Blend has been optimized to support today's busy lifestyles. With its fresh, uplifting aroma, InTune complements an environment where concentration comes more naturally, whether you're working, studying, or navigating a long day. At the heart of the blend are CPTG® essential oils like Spanish Sage, Rosemary, and Eucalyptus, valued for their naturally occurring 1,8-Cineole. Together, these oils contribute to a fresh, clarifying aroma, creating an environment suited for moments of focus and engagement. Spanish Sage in particular creates a refreshing, stimulating atmosphere supportive of memory and cognition performance training. InTune is further enhanced with Peppermint, rich in menthol and known for its energizing scent, and Wild Orange, which is abundant in Limonene, bringing a bright, uplifting note that inspires a positive atmosphere. Marjoram rounds out the blend with a warm, balancing aroma that helps create an environment conducive to focus.

The result is a well-balanced, invigorating blend that helps create a clear, focused atmosphere for staying engaged throughout the day. Whether you're tackling a demanding project, helping your family stay on task, or simply looking to feel more centered, InTune creates a calm, focused environment for staying aligned with what matters most.

Uses

- + Create a purposeful morning routine by diffusing InTune and taking Spanish Sage internally to feel focused and prepared for a busy day.*
- + Diffuse three or more drops in a diffuser during work or study sessions, homework, creative work, or afternoon mental slumps.
- + Inhale in the morning when waking up up for a fresh, clear start to the day.
- + Add a couple drops to a car diffuser during your commute to and from work or while out on errands.

Directions

Aromatic use: Place three to four drops in the diffuser of your choice.

Topical use: Apply one to two drops to desired area. Dilute with Fractionated Coconut Oil to minimize any skin sensitivity. See additional precautions.

Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, face, and sensitive areas. Avoid sunlight and UV rays for at least 12 hours after applying product.
