- + Shortens drying time
- + Leaves fabrics soft and smelling fabulous

Description

dōTERRA abōde Dryer Balls soften clothes, reduce static and wrinkles, shorten drying time, and leave fabrics smelling great. These 100% New Zealand wool balls are a replacement for dryer sheets, do not contain added compounds and chemicals, and are safe for use with all fabrics. Place one to four drops of a favorite CPTG® essential oil or blend onto the wool dryer balls and toss balls with laundry in the dryer. Once done, remove and reuse the dryer balls again and again. The dōTERRA abōde Dryer Balls come in a cotton bag for easy storage.

Directions

Place two to four drops of a favorite essential oil or blend onto the wool dryer balls. Toss two to four balls in the dryer with each laundry load.
