PRODUCT DESCRIPTION

Created to deep clean, lift stains, and keep colors vibrant, dōTERRA® abōde™ Laundry Pods are concentrated, powerful, and effective. Leveraging the power of natural enzymes and surfactant-cleansing agents to break down stains, the Laundry Pod formula is free from phosphates, phthalates, dyes, and chlorine. Not only do the enzymes and surfactants help maintain the integrity of your fabrics, they are also friendlier for the environment than more traditional chemical detergents. With the addition of pure CPTG® essential oils, the pods leave clothes clean, with a delightfully fresh, citrus aroma. The dōTERRA abōde Laundry Pods are available in a 45 count bag. Formulated using simple, pure, natural ingredients, the entire dōTERRA abōde product line is made for the conscious consumer.
