PRODUCT DESCRIPTION

It's been a busy day. You're tired, but you've finished everything on your list and you're finally home. Now it's time to relax and unwind a bit. You light a fire and listen to it crackle, smelling the burning wood. A mug of warm, creamy hot chocolate, with just a hint of cinnamon, would be just right for this quiet moment. Reach for dōTERRA Adaptogenic Hot Cocoa made with quality cocoa and milk, and sweetened with Monk Fruit. dōTERRA adds four adaptogens and a touch of CPTG® Cinnamon Bark essential oil to the mix creating a healthy, deliciously comforting treat. Get cozy, take a sip, and experience velvety smooth dōTERRA Adaptogenic Hot Cocoa.
