Description

Soothing and comforting, dōTERRA baby Lotion is made for a baby's sensitive skin. With clinically tested ingredients, this baby-approved lotion contains shea butter, jojoba, fruit extracts, and other naturally derived humectants that support the skin's natural moisture barrier. The lightweight lotion instantly nourishes a baby's skin and provides long-lasting hydration without irritation. The calming aromas of CPTG® Lavender, Roman Chamomile, and Madagascar Vanilla invite bonding between parent and child.

Directions

Massage into your baby's skin as often as needed. Gentle enough for daily use.

Cautions

For external use only. If irritation occurs, discontinue use. Use only with adult supervision.
