## PRODUCT DESCRIPTION

**dōTERRA sun** Body Mineral Sunscreen Spray is a mineral-based sun protection spray that delivers incredible benefits, so your skin looks and acts as young as you feel. Formulated with non-nano zinc oxide, this spray delivers lightweight SPF 30 UVA/UVB broad-spectrum protection. With the power of plant-based ingredients like aloe vera and vitamin E—coupled with a blend of CPTG<sup>®</sup> essential oils, including Carrot Seed, Frankincense, and Helichrysum—this sunscreen spray provides nourishment to the skin from head to toe. This formula is oxybenzone-, paraben-, and phthalate-free, as well as vegan-friendly, reef-safe, and cruelty-free. It's packaged in an aluminum, non-aerosol spray bottle that delivers a continuous, 360-degree application for easy, all-over coverage. Made for everyday use by every age, **dōTERRA sun** has you covered...naturally.

## DIRECTIONS FOR USE

Shake well before each use. Apply liberally to the skin 15 minutes before sun exposure. Reapply at least every two hours. Store at room temperature.

**For body:** Hold the can four to six inches from the skin. Spray in a continuous motion. Rub in to protect the skin.

**For face:** Spray onto the hands and rub into the face. Do not spray directly on the face.

## CAUTIONS

For external use only. Do not use on damaged or broken skin. Do not inhale spray. When using this product, keep out of eyes. Rinse with water to remove. Stop use and ask a doctor if rash, irritation, or redness occurs. Keep out of reach of children. If swallowed, get medical help, or contact a Poison Control Center right away. Avoid contact with eyes and sensitive areas. Children under 6 months of age: ask a doctor before use.
