

dōTERRA®

Body Oil

Carrier Oil Blend

Soften and nourish skin with dōTERRA Body Oil, a blend of passionfruit, jojoba, baobab, moringa, and sunflower seed oils, as well as tocopherol.

Passionfruit:

- Sourced from northwestern Rwanda.
- Passionfruit flowers throughout the year, so it's harvested yearlong as the fruits mature.
- The oil is extracted from dried seeds by a mechanical press in Athi River, Kenya.

Baobab:

- Sourced in the coastal and lower eastern regions of Kenya.
- It's wild harvested from June to November each year.
- The oil is extracted from the seeds by a mechanical press in Athi River, Kenya.

Moringa:

- Sourced from the Kasese region of Uganda and Taita Taveta, Kwale, and Kilifi counties of Kenya.
- Moringa is drought-resistant and highly nutritious.
- The oil is extracted from dried seeds by a mechanical screw press in Athi River, Kenya.
