Aromatic Description: Smoky, woody, and herbaceous

Costa Brio™ | Enlivening Blend 15 mL

60227091

Primary Benefits

- + Creates a compelling, calming, grounding ambiance
- + Provides a rich, woody aroma with spicy accents, and exotic undertones

Description

Capturing the allure of the vibrant continent of South America, the aroma of Costa Brio Enlivening Blend is rich and inspiring.

The blend begins with the earthy and smoky undertones of Guaiacwood, blending seamlessly with the bright and uplifting notes of CPTG® Wild Orange and Lemon essential oils. Copaiba adds a warm touch, while Petitgrain contributes a fresh and slightly floral element.

Cedarwood enhances the overall richness with its woody aroma, and Magnolia Leaf brings a subtle, sweet floral nuance. Breu Branco adds a resinous and balsamic quality, complemented by the minty freshness of Bergamot Mint. Fennel contributes a hint of herbal sweetness, while Balsam Peru provides a warm and comforting undertone.

Lively and invigorating Pink Pepper adds a touch of spiciness, while Tonka Bean introduces a sweet and creamy note, bringing depth and warmth to the blend.

Earthy, citrusy, woody, floral, and sweet, this multifaceted blend creates a rich, inviting olfactory experience.

dōTERRA sources the Guaiacwood, Wild Orange, Copaiba, Petitgrain, Breu Branco, Pink Pepper, and Tonka Bean used in Costa Brio from Latin America through Co-Impact Sourcing® initiatives.

Uses

- + Diffuse to create a serene atmosphere.
- + Apply a few drops to wood or clay jewelry for inspiration.

Directions

Aromatic use: Add 3–4 drops to a diffuser of choice.

Topical use: Dilute 1 drop essential oil to 10 drops of carrier oil. See additional precautions below.

Cautions

Possible skin sensitivity. Keep out of reach of children. If pregnant or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, face, and sensitive areas. Avoid sunlight and UV rays for at least 12 hours after applying product.
