PRODUCT DESCRIPTION

Make your small space a touch more beautiful with the dōTERRA Desert Bloom Passive Diffuser. Perfect for a desk, next to a favorite chair, or on a bedside table, Desert Bloom slowly disperses your favorite CPTG Certified Pure Therapeutic Grade® essential oils into the air. This modern, succulent-shaped, clay diffuser, in a natural beech wood base is a simple yet elegant addition to your home or office. Add a few drops of essential oils to the surface of the bloom for a personal aroma experience. The Desert Bloom Diffuser makes a wonderful surprise for a friend or a delightful housewarming gift.
