PRODUCT DESCRIPTION

Safe and effective, dōTERRA Baby Diaper Rash Cream spreads easily on delicate baby skin to help treat, soothe, and prevent diaper rash. Infused with CPTG® Lavender, Carrot Seed, and Tea Tree essential oils, this unique blend helps balance and soothe the skin while rich Muyao Shea Butter works to moisturize, leaving skin soft and smooth. Non-nano Zinc Oxide creates a barrier to protect from excess moisture, preventing diaper rash before it starts. Protect your little one with this natural, safe cream designed just for your baby's delicate skin.

DIRECTIONS FOR USE

Change wet or soiled diapers promptly. Cleanse the diaper area and allow to dry. Apply cream liberally as often as necessary with each diaper change especially at bedtime or any time exposure to wet diapers may be prolonged.

CAUTIONS

For external use only. When using this product do not get into eyes. Stop use and ask doctor if condition worsens or symptoms last more than 7 days or clear up and occur within a few days. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.
